(BORG-WARNER , BENZ , VOLVO)	

Sunup Master established in 1983 manufactures wild variety of transmission gears for cars, trucks, motorcycle and agricultural machine. According to the marketing needs and customers' requirements, we continuously import precision manufacturing equipment and inspection instruments from Europe, America, and Japan. Sunup Master is growing strong and excelling because of the fully support and encouragement from our customers and business partners in Taiwan and other countries. In order to meet the needs of our customers, we change our location to the Taichung Industrial Zone in 1993.

We need to do persistent innovations and breakthroughs in order to maintain our products at the highest quality. We sincere hope all of our customers will be our patrons and partners continually. Let us working in a cooperative relationship that creating a bright and sparkling future.
